1. This command is conducting its fourth annual seminar and conference of the U. S. Army Foreign Intelligence Officers from its major subordinate commands and certain selected R&D laboratories and specialized activities here during the period of 28 - 30 March 1966. The objective of the seminar is to contribute to the more effective functioning of this command's foreign intelligence officer system through a series of presentations and panel discussions dealing with problem areas in the production, collection, and dissemination of intelligence to support each command's mission.

2. Such personnel as you may desire to designate are invited to attend any or all of the sessions. The second day's session of the seminar will be held at your headquarters in Langley, Virginia, with appropriate coordination being effected through the CIA Liaison Staff. It is requested that the name, grade, position title, and security clearance of those persons attending the first and third sessions on March 28 and 30th respectively, be provided this headquarters (ATTN: AMCRD-I) no later than 18 March 1966.

3. A copy of the tentative agenda for the conference is enclosed.
